IČO: 25907379
DIČ: 379-25907379

Article number:	025.252122136-S
------------------------	------------------------

technical data of material:

Tensile strength	3400 MPa
Modulus	73000 MPa
Elongation	4,5 %
Density	2,6 g/cm ³
Material	Plastic fibre 1383 TD 22

technical data of article:

Width, stretched	10 mm
Wall thickness, single	0,30 mm
Threads	104 (2x 52)
Filaments, stretched	10
Diameter	5 – 26 mm
Weight per 100m	1,457 Kg

We declare that supply will accord to regulation of order.

All measurements including tolerance +/- 10 %.
